Vision

To be market leaders in our various business sectors, delivering excellent customer and optimum returns to shareholders

Mission

We will realize this by building profitable, lifelong customer relationships through the provision of a wide range of quality products, superior customer service, innovation, commitment and operational excellence

Values

Our core values remain the guiding principles by which we operate as a corporate personality.

Professionalism - Trust - Proactive - Innovation - Teamwork Resilience

R.T. Briscoe Nigeria PLC is a publicly quoted diversified holding company with over sixty years experience in Automobile, Industrial Compressor, Material Handling, Industrial Equipment, Power and Real Estate business.

Since incorporation in 1957, Briscoe has introduced innovative products and made contributions towards the development of the country in the fields of industrial and social infrastructure.

Briscoe is the authorized distributor for leading global brands such as Toyota Motors, Toyota Forklifts, BT Material Handling , Raymond Warehouse Equipment, Elgi Compressors, JCB Generators amongst others and continues to expand its business partnerships and portfolio in line with modern business realities.

Following a recent restructuring of its operations, the company adopted a holding structure with the following as subsidiaries;

Briscoe Motors : Toyota Motors Sales, Toyota Workshop, BriscoeFord Workshop, Briscoe Garages

Briscoe Material Handling: Toyota Forklifts, BT Material Handling Equipment, Raymond Warehouse Equipment

Briscoe Elgi: Elgi Air Compressors, JCB Power products

Briscoe Properties: Property Development, Facility Management, Project Management, Real Estate Brokerage

Briscoe Leasing: Equipment Leasing

Leveraging on its expertise and decades of experience, Briscoe aims to continue to support high-value adding products and services that improve the efficiency of businesses without compromising quality or the environment.

The company will continue to support and provide environmentally friendly products and contribute to sustainable development of the society.

Briscoe is the pioneer dealer of Toyota Automobile in Nigeria. The company introduced Toyota Products and services into the market in 1957 and remains one of the authorized dealers of Toyota Vehicles in Nigeria under the trade name Briscoe Motors

Between 1970 and August 1992, Briscoe served as the exclusive dealer for Volvo vehicles in Nigeria with sales and service outlets in various parts of the country until the Agreement was mutually terminated by both parties.

In 2005, Briscoe expanded its product portfolio and was appointed a dealer of the Ford Motor Company for the marketing, sales and service of the Ford range of vehicles.

Presently, Briscoe Motors is engaged in the marketing, sales and servicing of Toyota motor vehicles under the trade name *BriscoeToyota* as one of the 8 authorised dealers of Toyota Nigeria Limited.

A division of the company , *BriscoeFord* handles the servicing of ford vehicles and offers aftersales services for a wide range of ford vehicles.

R.T. Briscoe (Nigeria) PLC (“Briscoe”) was incorporated in Nigeria on 9th March, 1957, as a Private Limited Liability Company and became a wholly owned subsidiary of the East Asiatic Company Ltd A/S (“EAC”) of Copenhagen- Denmark in 1961.

The Company became a public Company in 1973 and the shares were listed for quotation on the Nigerian Stock Exchange in 1974. In August 2002, EAC divested its shareholding in Briscoe to Nigerian investors.

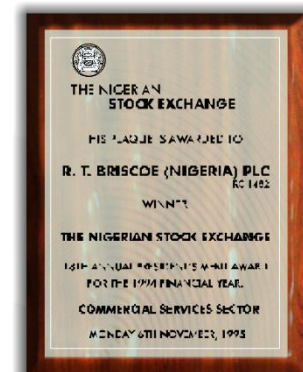

The Company started its business activities in Nigeria with the importation of building materials and some English trucks under an agency arrangement brokered by its parent Company – EAC. From its humble origins, the Company has grown to become a reputable provider of quality and reliable products and services. It became the pioneer dealer of Toyota Vehicles in 1957 before diversifying into other business activities. Currently, it represents some of the world’s most respected and innovative brands from countries such as Japan, United States, India, United Kingdom and Europe – in diverse sectors namely Automobile, Material Handling, Industrial Compressor, Power products and Real Estate.

Till date, Briscoe maintains a long-term vision as one of its core business principles, because its foundation and success is rooted in uncompromising commitment. This principle has endeared us to a wide customer base garnered over the past 60 years and established it as a beacon of corporate governance. In recognition of its commitment and adherence to corporate governance principles, The Company is a fourteen-time[14x] winner of the prestigious President’s Merit Award of the Nigerian Stock Exchange .
